Calvary Women's Services
Ending homelessness. Inspiring hope. Transforming lives.

2021-2024 Strategic Plan Final Report
Ending Homelessness. Inspiring Hope. Transforming Lives.

Calvary Women's Services' Strategic Plan 2021-2024 (Plan) focused on addressing the affordable housing crisis in our city and the societal changes resulting from the pandemic and the racial, economic, and gender inequity and injustice in our systems and experienced in people's lives. The Plan effectively guided Calvary through 2025.

The Plan recognized Calvary's financial strength, clear implementation of its priorities and mission, and its proven model. Grounded in Calvary's experience serving primarily Black women and women of color, the Plan reinforced the organization's commitment to "doing everything in our power to build an equitable society. Affordable housing and quality, comprehensive services can have a profound impact not only on individual women, but also on their families, neighborhoods and broader community. Calvary is also uniquely positioned to lift women's voices and promote women's issues across our community."
