Calvary Women's Services
Ending homelessness. Inspiring hope. Transforming lives.

The scoring configuration weights seven dimensions and sets the tier cutoffs in one editable file, config/scoring_weights.yaml.

Dimension	Weight	What it scores (comment in the file)
mission fit	0.20	funder's issue tags and share of its DC-sector giving whose purpose names housing/DV/women
peer giving	0.20	how many of the 18 core peers it funds (TY2020-24 filings)
regional giving	0.10	dollars to DC-sector organizations TY2020-24 (log scale)
award size	0.15	typical grant to peers (median), log scale $5K -> $250K
accessibility	0.10	funder type and breadth of recipients (open process vs closed family foundation); 'see attached' filers penalized
durability	0.10	years funding peers and years active in the DC sector
relationship	0.15	M6 path strength (shared peers, co-funders, high-confidence board links) plus current / lapsed / CRM status

Tier rule or relationship bonus	Value
tiers: tier1 min score	0.62
tiers: tier2 min score	0.48
tiers: tier1 min award	$25,000
tiers: max tier1	20
relationship bonus: current funder	0.35
relationship bonus: lapsed funder	0.20
relationship bonus: on calvary list or crm	0.15

Scale or penalty	Value
award size scale (median peer grant)	$5,000 → $250,000 (log-linear)
regional scale (DC-sector dollars)	$50,000 → $10,000,000 (log-linear)
peer giving cap (peers for a score of 1)	8
placeholder penalty ('see attached')	−0.15
in-kind / workplace channel penalty	−0.30
